

# Society for Exact Philosophy [DRAFT- 11 May +]

22-24 May 2015, Hamilton ON

Organized by Philosophers from McMaster University and the University of Waterloo

22 May 2015

	BSB 121	BSB 122	BSB B138	BSB B139
8:00-8:30	REGISTRATION (BSB B136)			
8:30-9:30	Chair: David DeVidi Ali Abasnezhad University of British Columbia Saving Tolerance from Paradox: A Game Semantics for Tolerance	Chair: David Liebesman Jonathan D. Payton University of Toronto Adverbs of Negative Action	Chair: Steven Gross Steven James West Chester University Causal and Epistemic Theories of Remembering	Chair: Chris Hitchcock Fabio Lampert University of Florida Peer Disagreement and Second- Order Justification
9:30-10:30	Chair: Ali Abasnezhad David DeVidi University of Waterloo Buying Logic With Ontological Coin	Chair: Jonathan D. Payton David Liebesman University of Calgary Generics and Pronouns	Chair: Steven James Steven Gross Johns Hopkins University Does Perceptual Consciousness Overflow Cognitive Access? The Challenge from Probabilistic, Hierarchical Processes	Chair: Fabio Lampert Chris Hitchcock California Institute of Technology Updating on the Credences of Others
10:30-11:00	Break (BSB B136)			
11:00-12:30	<b>PLENARY (BSB B136):</b> Diana Raffman, University of Toronto, TBA			
12:30-14:30	LUNCH			
14:30-15:30	Chair: Seyed N. Mousavian Benjamin Bewersdorf University of Groningen Experience, Belief Change and Confirmational Holism	Chair: Charles B. Cross Christopher Menzel Texas A&M University Logic with a Single Type	Chair: Kent Johnson Luke Roelofs University of Toronto Rational Agency Without Self- Awareness	Chair: Bernard Linsky Dominic Alford-Duguid University of Toronto The Structure of Predicative Thought
15:30-16:30	Chair: Benjamin Bewersdorf Lisa Cassell UMass-Amherst Updating on (Partly True) Demonstratives	Chair: Christopher Menzel David McElhoes Arizona State University Hierarchies for a Mereological Set Theory	Chair: Luke Roelofs Kent Johnson University of California, Irvine Models and Data and Phenomena: Correspondence Analysis as a Road from Facts to Science	Chair: Dominic Alford-Duguid Bernard Linsky University of Alberta Propositional Logic from The Principles of Mathematics to Principia Mathematica
16:30-17:00	Break (BSB B136)			
17:00-18:00	Chair: Lisa Cassel Seyed N. Mousavian and Mohammad Saleh Zarepour University of Gothenburg and Institute for Research in Fundamental Sciences (IPM), Iran Originalism & Belief Reports	Chair: David McElhoes Charles B. Cross University of Georgia Every Proposition is a Counterfactual	Chair: David Hitchcock Sandra Lapointe McMaster University Kant and the History of Logic	Chair: Dana Tulodiezcki Michael Tooley University of Colorado Boulder Temporal Asymmetry and the Laws of Physics

# Society for Exact Philosophy

23 May 2015

	BSB 121	BSB 122	BSB B138	BSB B139
8:30-9:30	Chair: Jae Hong Kim Gurpreet Rattan University of Toronto Understanding Semantic Coordination in Cognition	Chair: Richard Zach Marcus Rossberg University of Connecticut Against (General Elimination) Harmony	Chair: François Lepage Pavel Janda University of Bristol Measuring Accuracy of Uncertain Doxastic States in Many-Valued Logical Systems	Chair: Susan Vineberg Damian Melamedoff University of Toronto Rejecting Russellian Radicalism
9:30-10:30	Chair: Gurpreet Rattan Jae Hong Kim Ryerson University Practical Reasoning and the Contextual Content of the First- Person Perspective	Chair: Marcus Rossberg Richard Zach University of Calgary Substitution, Consequence, and Proof	Chair: Pavel Janda François Lepage Université de Montréal Intuitionistic Logic, Conditional Probability, and Strong Negation	Chair: Damian Melamedoff Susan Vineberg Wayne State University Mathematical Explanation in Foundational Work
10:30-11:00	Break (BSB B136)			
11:00-12:30	<b>Plenary (BSB B136): Gillian Russell, Washington University Saint Louis, Could there be <i>no</i> logic?</b>			
12:30-14:30	LUNCH			
14:30-15:30	Chair: Greg Lavers Richard Creath Arizona State University Can the Platonist and the Nominalist Both Be Right?	Chair: Robert Hudson Eddy Keming Chen and Daniel Rubio Rutgers University Great Expectations	Chair: Nicholas McGinnis Matt LaVine University at Buffalo Gillian Russell and the New Problem for LDONT	Schotch Symposium  M.J. Cresswell Victoria University of Wellington
15:30-16:30	Chair: Richard Creath Gary Ebbs Indiana University Conditionalization and Conceptual Change: Chalmers in Defense of a Dogma	Chair: Daniel Rubio Claudine Verheggen York University A New Kind of Semantic Normativity	Chair: Chris Tillman Nicholas McGinnis University of Western Ontario The Language We Ought to Have	Bryson Brown University of Lethbridge  T. Humeniuk & R.E. Jennings Simon Fraser University
16:30-17:00	Break (BSB B136)			
17:00-18:00	Chair: Gary Ebbs Gregory Lavers Concordia University Gödel and Mathematics as Logical Syntax	Chair: Claudine Verheggen Robert Hudson University of Saskatchewan Knowledge-Action or Action- Knowledge?	Chair: Matt LaVine Chris Tillman University of Manitoba Brutal Propositions	Judy Pelham York University  Gillman Payette University of British Columbia  Alasdair Urquhart University of Toronto

# Society for Exact Philosophy

24 May 2015

	BSB 121	BSB 122	BSB B138	BSB B139
8:30-9:30	Chair: James Justus M.J. Cresswell Victoria University of Wellington I Am a Symbol Man	Chair: Michael Hannon Michael Da Silva University of Toronto Knowledge, Action and Pragmatic Encroachment	Chair: Chris Howard Kent Peacock University of Lethbridge Peaceful Coexistence: A Critical Review	Chair: Lindsay Crawford Melissa Fusco UC Berkeley Deontic Disjunction
9:30-10:30	Chair: M.J. Cresswell James Justus Florida State University Reanimating Ayer's Significance Criterion	Chair: Michael Da Silva Michael Hannon Fordham University The Thresholds for Knowledge	Chair: Kent Peacock Chris Howard University of Arizona Everettian Quantum Mechanics and the Principal Principle	Chair: Melissa Fusco Lindsay Crawford University of California, Berkeley Ought, Belief, and Control
10:30-11:00	Break (BSB B136)			
11:00-12:30	<b>PLENARY (BSB B136):</b> Kathrin Koslicki, University of Alberta, A Hylomorphic Analysis of Concrete Particular Objects			
12:30-14:30	LUNCH			
14:30-15:30	Chair: Sam Cowling Justin Zylstra University of Alberta Objectual and Generic Essence	Chair: Kirk Ludwig Nicole Wyatt University of Calgary Logical Pluralism and Logical Form	Chair: Hanna Rubin Dana Tulodziecki Purdue University Novel Prediction, Approximate Truth, and the Miasma Theory of Disease	Chair: Patricia Marino Johanna Thoma University of Toronto Bargaining and the Impartiality of the Social Contract
15:30-16:30	Chair: Justin Zylstra Sam Cowling Denison University Second-Order Intrinsicity	Chair: Nicole Wyatt Kirk Ludwig and Greg Ray University of Florida and Indiana University The Truth About Vagueness	Chair: Dana Tulodziecki Hannah Rubin University of California Irvine The Phenotypic Gambit: Selective Pressures and ESS Methodology in Evolutionary Game Theory	Chair: Johanna Thoma Kevin J.S. Zollman Carnegie Mellon University The Credit Economy and the Economic Rationality of Science
16:30-17:00	Break (BSB B136)			
17:00-18:00	Chair: Nick Griffin Richard T. W. Arthur McMaster University Leibniz's Infinitesimals and Their Interpretation	Chair: Sandra Lapointe Paul Saka University of Texas, Pan Am Religion and Utility	Chair: Gillman Payette Jean-Yves Béziau Federal University of Rio de Janeiro, Brazil Paraconsistent logic and contradictory viewpoints	Chair: Kevin Zollman Patricia Marino University of Waterloo A Problem in Economic Explanation

19:00 Conference Dinner @ Radius, 151 James Street South  
Annual General Meeting of the SEP
